### ANNUAL MEMBERSHIP DUES

First year membership rates are pro-rated so you pay for only the months you are a member! To calculate your first year dues, divide the annual dues amount by 12 and multiply it by the number of months remaining in the year.

You may want to consider membership in NOPA's sister association, Office Furniture Dealers Alliance (OFDA). With dual membership in OFDA, you enjoy all the same benefits as you do in NOPA, but at half the cost!

Under Federal Law, dues to NOPA are normally deductible as ordinary and necessary business expenses to the extent that they are not used for lobbying activities. Under the Consolidated Omnibus Budget Reconciliation Act of 1993, NOPA must estimate the percentage of dues that will be used for lobbying activities and notify members of the amount of dues that are non-deductible. For 2012 we estimate this amount to be 10% of your dues. NOPA is a membership division of the Independent Office Products & Furniture Dealers Association. 11/28/11
